CALTRANS AND GRANITE CONSTRUCTION TO HOST A RIBBON CUTTING CEREMONY FOR STATE ROUTE 198 - 19TH AVENUE PROJECT IN LEMOORE

WHEN: Thursday, June 11th, 2015, at 10:30 A.M.

WHERE: Northeast quadrant of State Route 198 and 19th Avenue, at the City Park, Lemoore, CA

This \$36 million dollar project in Kings County on State Route 198 between State Route 41 to Lemoore Avenue (18th Avenue) within the Lemoore city limits was completed in May. This project constructed a partial cloverleaf interchange with a new overcrossing bridge at 19th Avenue allowing access over State Route 198 and closed access to cross traffic at Vine Street (18½ Avenue), thereby increasing capacity, improving traffic operations and overall safety at this location.

Speakers will include: Samer Shaath, Caltrans Deputy District Director; Doug Verboon, Kings County Board of Supervisors; Mayor Lois Wynne, City of Lemoore and Captain Dave Knoff, Hanford Area CHP. Event sponsored by Granite Construction, Inc.

From westbound SR 198, take north 19th Avenue exit.
From SR 41, turn east on SR 198 and then take north 19th Avenue exit.
